

GETTING TO KNOW YOU

Survey of Queenwood Old Girls' Association's Members

Next year we will be launching some new and reviving some old networking and mentoring events. For instance, we plan to hold a careers seminar evening for year 10 to 12 students giving them the opportunity to talk with us and learn from our career and life experiences. Knowing more about the breadth of talents, hobbies and careers amongst our old girls will make it easier to organize these events. So, your taking 5 minutes to fill out the survey attached to this newsletter would help us immensely.
