### Tuesday 7 April

### Workshop \$95 Nerf Wars and Easter Cooking

Join us in incredible Nerf Wars. Children will engage in fast-paced Nerf games using six-shooter guns and soft foam bullets that are safe to use. Players will work together and in individual games to play Capture the Flag, Survivor and Defend the End.

In the afternoon, let's have fun with some Easter-themed cooking.

**NOTE: This workshop suits all ages as we will break into age-appropriate groups.**

### Wednesday 8 April

### Workshop \$95 Group Games and - Create Your Own Mosaic Coaster!

This afternoon we will decorate bamboo coasters that come in a variety of fun shapes such as star, heart, flower, oval, and rectangle. Using colourful mosaic tiles, children will glue their chosen pieces onto the coaster surface, creating unique patterns or images.

Once the design is set, we will apply gap filler to complete the mosaic effect — resulting in a functional and artistic keepsake to take home.

Our morning fun will include group games and sport - anyone for dodge ball or bullrush?

### Thursday 9 April

### Workshop \$95 Let's have a Science Party!

Experience being a scientist and do the experiments under the guidance of our experienced Scientist host! We will use the scientific method of questioning, hypothesising, testing and concluding in fun experiments to learn about change and colour, resulting in a blow-up-a-rocket experiment finale.

The afternoon will close with extending our science skills through fun craft and cooking.

**Friday 10 April**

**Excursion \$140**

**Centennial Park Shelter Building Experience**

Children will work together to design and build a lean-to debris shelter using natural loose parts, then put their creations to the test. This excursion involves:

- Guided discovery walk to learn where animals live in the park and collect natural loose parts for shelter building
- Build a waterproof cubby house using gathered materials
- Hands-on shelter games focused on stability, weather protection and collaborative problem-solving

Followed by lunch and play at the Ian Potter Wildlife Park.

**NOTE: Please pack a towel and change of clothes for any water activities at the park.**

## Vacation Care Packing Essentials: What Your Child Needs

Planning for Vacation Care? Here's what to pack for a fun and comfortable experience:

### Meals:

- **Snacks & Lunch:** Please pack a healthy morning tea and lunch with a water bottle. Find inspiration for nutritious options at NSW Healthy Kids website: <https://www.healthyliving.nsw.gov.au/food/healthy-school-lunch-box>.
- **Allergy Aware Zone:** Please note we are an allergy aware environment due to children's allergies. If your child has dietary restrictions, discuss them with our staff beforehand ([lwestenberg@mosmanprep.nsw.edu.au](mailto:lwestenberg@mosmanprep.nsw.edu.au)).

### Clothing:

- **Label Everything:** Ensure all clothing items are clearly labelled to avoid mix-ups.
- **Dress for Fun & Adventure:** Choose weather-appropriate attire suitable for active play. Singlets and sleeveless tops are not permitted.
- **Safety First:** Closed shoes are mandatory for protecting our feet.
- **Sun Smart:** Don't forget a hat! We enforce a sun-safe policy, so pack a hat for outdoor activities.

### Additional Tips:

- **Weather Check:** Be prepared for changing weather by packing an extra layer or rain

gear if needed.

- **Comfort Matters:** Choose comfortable clothing that allows for easy movement and play.
- **Spare Supplies:** Pack an extra pair of clothes and underwear for unexpected spills or accidents.

By following these guidelines, you can ensure your child has a happy and worry-free time at Vacation Care!
