OUR SUSTAINED ACADEMIC EXCELLENCE

Queenwood's ATAR outcomes show sustained academic excellence across multiple year groups, reflecting consistent teaching quality and high academic expectations.

Academic Excellence

Queenwood has equipped girls to know themselves, connect with others, and explore big ideas, with curiosity and empathy. Queenwood offers a rigorous academic curriculum, balanced with a rich program of cocurricular activities, building character alongside knowledge. For more than 100 years,

Dual possibilities

Queenwood offers both HSC and IB pathways in Years 11 and 12. We are one of the only few schools in NSW to offer both pathways in Years 11 and 12. Among our 2025 graduates, more than half of our IB students achieved results in the top 5%, and the median ATAR across both the HSC and IB was 90.70.

2025

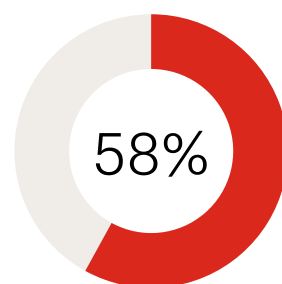

Queenwood has outstanding teachers and an exceptionally broad curriculum which recognises individual differences and caters to varied needs for support and challenge. We seek to develop in our students the knowledge, skills and habits which will be the foundation for a lifelong awakening to the complexity of the world.

Our examination results are consistently excellent in both the HSC and the IB Diploma Programme, and our graduates go on to world-class universities across Australia and the globe.

The tradition of excellence continues within a culture of warmth and curiosity. Our school is distinctive for its size and strength of community, which becomes a crucial platform from which our students can engage with confidence and openness with the wider world.
