

2017 Results

Congratulations to the Class
of 2017 for achieving these
outstanding results.

QUEENWOOD

Per aspera ad astra

Principal's Message

It is a great pleasure to present these highlights from the HSC and IB results of the Class of 2017.

These examinations are a significant challenge, and every girl has had to work consistently and determinedly for two years to reach this milestone. We are proud of the girls and the self-discipline, responsibility and resilience they have developed in the course of pursuing their goals. We congratulate those who have achieved outstanding results as judged against their peers, and equally those who have achieved outstanding results as judged against themselves. We also thank the girls' teachers and parents, whose skill, guidance and care have inspired and supported the girls throughout their schooling.

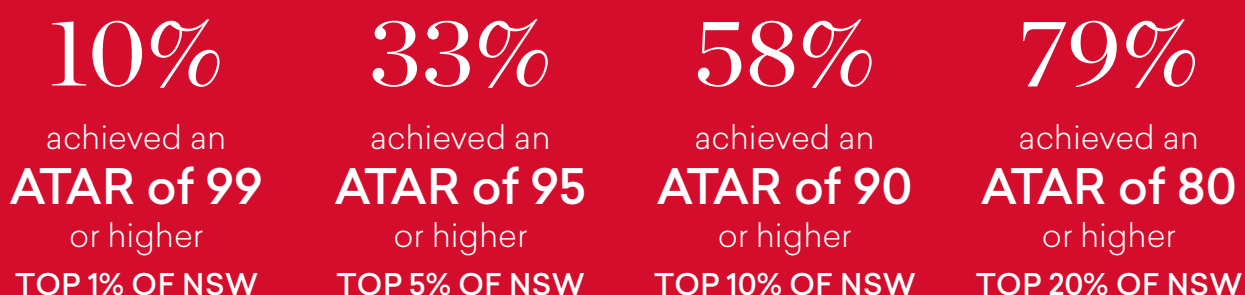

The final public examinations are important as a recognition of achievement, and as a passport to the next stage. Our girls gain entry to a wide range of courses at universities and institutions in Australia and overseas, and we are delighted that they think creatively and look widely in finding the right option for them. These examination results are of vital importance as they open the doors to these inspiring possibilities.

The discipline our students have shown and the self-knowledge they have acquired in the process of completing their HSC or IB will equip them well in their future lives. A Queenwood education, however, is much more than examination results. We aim to develop the habit of inquiry, a sense of purpose and a commitment to making the world a better place – as encapsulated in the School's values of Truth, Courage, Service. Even as we recognise and celebrate their success, we know that the value of these young women is neither described nor determined by their grades, and we rejoice in seeing them enter a rich and complex world, to enjoy it fully and in due course leave their mark upon it.

Ms Elizabeth Stone
Principal

Year 12 Academic Success

From a cohort of 96 students

NOTE: IB marks out of 45 are converted on a fixed scale to an ATAR. The majority of HSC students provide their ATAR to the school, and the remaining HSC ATARs are calculated by an independent consultant to a very high degree of accuracy.

Highest achievers for ATAR include:

Vanessa Li 99.90	Ruby Bishop 99.85	Francesca Livesey 99.85
Charlie MacLennan 99.85	Caitlin McCulloch 99.85	Jennifer Cheng 99.70
Sophie Shuttleworth 99.50	Sophie Clarke 99.40	Solene Gaborit 99.40

2017 IB Highlights

From a cohort of 32 students, 18 (56%) placed in the top 5% of the State.

The average mark for Queenwood IB students was 38 (compared to the worldwide average of approximately 29).

91% of girls achieved an ATAR of 90 or higher.

The average ATAR was 95.82.

2017 HSC Highlights

7 Queenwood students were named on the NESAs All-round Achievers List for attaining marks of 90 and above in at least 10 units (see overleaf for details).

Sophie Shuttleworth was placed first in the state for the Italian Beginners course.

Vanessa Li was placed third in the state for the Latin Continuers course.

Queenwood's Class of 2017 achieved 109 mentions on the NESAs Distinguished Achievers List and there were 37 students who appeared on the Distinguished Achievers List.

8 Queenwood students had their major works and projects nominated for inclusion in NESAs HSC showcase events (see details overleaf).

English

ADVANCED ENGLISH

Congratulations to all HSC & IB girls for these outstanding results. The Class of 2017 have worked with determination and commitment.

Special thanks to their teachers who challenged and stretched all of their students and helped them achieve their full potential.
