

The kindness of our benefactors has helped us preserve a fine tradition of excellence within a culture of warmth and curiosity. We have been reflecting upon how best to preserve our traditions, whilst ensuring we equip our girls for a rapidly evolving world. We have bold ambitions and the support of the Queenwood community will play a pivotal role in ensuring we are able to achieve our vision. I hope that you share my excitement at the possibilities that philanthropy can deliver for Queenwood's current and future students. The Council of Governors and I would be immensely grateful for any help you can give.  
*Per aspera ad astra!* - Ms Elizabeth Stone, PRINCIPAL

## Libraries, Resources & Archives

Ensuring our collections reflect and support the learning, teaching and research needs of our community is vital if we are to continue offering an exceptional education. We would like to maintain and renew the permanent collection of monographs (books), periodicals and electronic resources. In addition, we are requesting donations that will allow us to expand our libraries to include objects, historical artefacts, artwork and natural history specimens that can be used in day-to-day classroom practice because we recognise the immense power of primary sources in stimulating meaningful educational experiences.

## Scholarships

Scholarships are a tangible articulation of our school values – in 'truth' we grow in wisdom and act with a strong moral compass; in 'courage' we persevere through adversity; and in 'service' we respect humanity in all its diversity.

Our vision is to expand the scope of our scholarships program so that many more girls with talent and promise but without the means to cover full tuition can enjoy the opportunities afforded by Queenwood. Our goal is to create an endowment fund, sufficient to allow two girls to be supported with every new intake, in perpetuity.

## Capital Fund

Our founders had the foresight to recognise that environment has the power to shape individual and collective well-being. We continue to develop their vision by instituting projects that ensure our site remains fiscally and environmentally sustainable whilst retaining beautiful spaces for learning and community.

In particular, we are looking to design and build a state-of-the-art facility on our Esplanade Campus that is able to support specialist subjects whilst retaining the flexibility to evolve with the curriculum and the passions of our girls. With your help we can create innovative, welcoming learning spaces with a clear sense of purpose and cultural identity.

## 1925

Queenwood was opened on 29 October by the Mayor of Mosman. Miss Grace Lawrance was Principal to five students.

## 1926

Queenwood was opened to boarders and the School grew to 45 girls aged 6 – 18.

## 1929

Miss Violet Medway joined the Queenwood teaching staff.

## 1940

Egbert the sheep – who was actually a female lamb! – was 'hired' to mow the lawn.

## 1971

The Canteen opened and continues to bake almost 20 000 fresh muffins a year

## 1996

English teacher, Mrs Kem Bray, became Principal.

## 2004

The new 47 Mandolong Rd campus opened in January.

## 2011

The Steinway "108" piano was generously donated by the Old Girls.

## 2014

The Junior School refurbishment was completed.

## 2025

Queenwood will proudly celebrate its centenary.
