HOW TO REGISTER

The fee for use of the bus is \$300 per term, with a 10% discount for siblings. This is for use of the bus Monday – Friday both morning and afternoon. Bookings for particular days or one-way journeys are not available.

Registration and payment is via www.trybooking.com/90797

The registration is not transferable and applies to the named student only. Please note that payments **are not refundable**. Transport to and from school is ultimately the responsibility of parents/guardians and whilst the School provides this service to assist Queenwood families we are unable to guarantee a seat.

ACCESS FOR SIBLINGS

School students who are siblings of Queenwood students may register to use this bus service. First priority will be given to students enrolled at Queenwood and the School will notify parents by two weeks prior to the first day of term if insufficient seats are available to accommodate non-Queenwood siblings. In that case the registration of the non-Queenwood students may be cancelled by the School and the registration fee refunded.

CONDITIONS OF USE

Please refer to the 'Queenwood Bus Policy'.
